

Farmschool at Lolly & Pop's

Homeschool Enrichment Program

“Branching Out”

Program Framework Outline — Ages 6–9

This outline organizes the Homeschool Enrichment Program into five learning areas. Designed to complement families' at-home curriculum, the program grows the whole child through faith-based, hands-on learning, real-life experiences, and meaningful connections. The five areas below provide the framework onto which monthly themes, activities, and Missouri Learning Standards alignment are mapped.

I. Academic Enrichment

- A. Reading & Writing**
- B. Math Skills**
- C. Science & Nature**
- D. Hands-On Projects**

II. Farm & Nature Exploration

- A. Animal Care**
- B. Gardening & Planting**
- C. Nature Walks**
- D. Seasons & Weather**

III. Life Skills & Confidence

- A. Problem Solving**
- B. Teamwork**
- C. Responsibility**
- D. Independence**

IV. Faith & Character

- A. Bible Integration**
- B. Kindness & Respect**
- C. Gratitude & Service**
- D. Purpose & Character**

V. Creativity & Expression

- A. Art & Crafts**
- B. Music & Movement**
- C. Journaling**
- D. Creative Projects**
